

TERMS OF USE

PLEASE READ THESE TERMS OF USE BEFORE ACCESSING OR USING THIS WEBSITE.

This website is owned and operated by Inter Pipeline Ltd. (collectively with its subsidiaries, "Inter Pipeline" unless otherwise indicated). Access and use of this website is provided by Inter Pipeline to you on condition that you accept and abide by these Terms of Use, and by accessing or using this website, you agree to these Terms of Use. If you do not agree to accept and abide by these Terms of Use, you cannot access or use this website.

This website, these Terms of Use and the Material (defined below) on it may be changed or updated from time to time without notice. You shall not interfere with the security of, or otherwise abuse, this website or any system resources, services or networks connected to or accessible through this website. You may only use this website for lawful purposes.

No Solicitation

The Material contained in this website is for informational purposes only and is not intended as a solicitation or offering of securities in any jurisdiction. Material available in or through this website is not intended to modify, qualify, supplement or amend information disclosed under corporate and securities legislation of any jurisdiction applicable to Inter Pipeline and should not be used for the purpose of making investment decisions concerning securities of Inter Pipeline. No securities commission or similar regulatory authority has passed on the merits of, endorsed or sponsored, or has made any recommendation regarding the securities of Inter Pipeline or the contents of this website. PLEASE SEEK THE ADVICE OF PROFESSIONALS, AS APPROPRIATE, REGARDING THE EVALUATION OF ANY SECURITY OF INTER PIPELINE OR THE CONTENTS OF THIS WEBSITE. You may obtain printed copies of the official versions of public disclosure documents from the investor relations department of Inter Pipeline.

Forward Looking Statements

Certain information regarding Inter Pipeline on this website may contain forward-looking statements or information (collectively referred to as "**forward-looking statements**") within the meaning of applicable securities legislation. Forward-looking statements often contain terms such as "may", "will", "should", "anticipate", "expect", "continue", "estimate", "believe", "project", "forecast", "plan", "intend", "target" and similar words suggesting future outcomes or statements regarding an outlook. Any statements on this website that are not statements of historical fact may be deemed to be forward-looking statements

including, but not limited to, statements regarding the design, continued construction, timing and completion of capital projects (including the Heartland Petrochemical Complex). You are cautioned not to place undue reliance on forward-looking statements, as such statements are not guarantees of future performance. Inter Pipeline in no manner represents that actual results, levels of activity and achievements will be the same in whole or in part as those set out in the forward-looking statements herein. Such information, although considered reasonable by Inter Pipeline, at the time of preparation, may later prove to be incorrect and actual results may differ materially from those anticipated in the forward-looking statements made. By their nature, forward-looking statements involve a variety of assumptions and are subject to various known and unknown risks, uncertainties and other factors, which are beyond Inter Pipeline's control, including, but not limited to: risks and assumptions associated with operations, such as Inter Pipeline's ability to successfully implement its strategic initiatives and achieve expected benefits, including the construction of the Heartland Petrochemical Complex; further development of its oil sands pipeline systems; assumptions concerning operational reliability; the availability and price of labour, equipment and construction materials; the availability credit risk and continued existence of customers having contracts with Inter Pipeline and its affiliates; availability of energy commodities; volatility of and assumptions regarding prices of energy commodities; competitive factors, pricing pressures and supply and demand in the natural gas and oil transportation, ethane transportation and NGL extraction and storage industries; assumptions based upon Inter Pipeline's current guidance; fluctuations in currency and interest rates; inflation; the ability to access sufficient capital from internal and external sources; risks and uncertainties associated with Inter Pipeline's ability to maintain its current level of cash dividends to its shareholders; risks inherent in Inter Pipeline's Canadian and foreign operations; risks of war, hostilities, civil insurrection, instability and political and economic conditions in or affecting countries in which Inter Pipeline and its affiliates operate; severe weather conditions; terrorist threats; risks associated with technology; Inter Pipeline's ability to generate sufficient cash flow from operations to meet its current and future obligations; Inter Pipeline's ability to access external sources of debt and equity capital; ; Inter Pipeline's ability to maintain investment grade credit ratings; general economic and business conditions; the potential delays of and costs of overruns on construction projects, including, but not limited to, Inter Pipeline's current oil sands projects and future expansions of Inter Pipeline's oil sands pipeline systems; risks associated with the failure to finalize formal agreements with counterparties in circumstances where letters of intent or similar agreements have been executed and announced by Inter Pipeline; Inter Pipeline's ability to make capital investments and the amounts of capital investments; changes in laws and regulations, including environmental, regulatory and taxation laws, and the interpretation of such changes to laws and regulations; the risks associated with existing and potential future lawsuits and regulatory actions against Inter Pipeline and its affiliates; increases in maintenance, operating or financing costs; availability of adequate levels of insurance; difficulty in obtaining necessary regulatory approvals and maintenance of support of such approvals; and such other risks and uncertainties described from time to time in Inter Pipeline's reports and filings with the Canadian securities authorities. The impact of any one assumption, risk, uncertainty or other factor on a particular forward-looking statement is not determinable with certainty, as these are interdependent and Inter Pipeline's future course of action depends on management's assessment of all information available at the relevant time. **You are cautioned that the foregoing list of important**

factors is not exhaustive. See the "Risk Factors" section of Inter Pipeline's most recent most recent Management's Discussion filed on SEDAR at www.sedar.com. The forward-looking statements on this website are made as of the date made or expressly stated, as the case may be, and, except to the extent expressly required by applicable securities laws and regulations, Inter Pipeline assumes no obligation to update or revise forward-looking statements made herein or otherwise, whether as a result of new information, future events, or otherwise. The forward-looking statements contained on this website and all subsequent forward-looking statements, whether written or oral, attributable to Inter Pipeline or persons acting on Inter Pipeline's behalf are expressly qualified in their entirety by these cautionary statements.

Certain links on this website lead to resources and web pages maintained by third parties over whom Inter Pipeline has no control. As such, Inter Pipeline makes no representation or warranty as to the accuracy or any other aspect of the information contained on such resources and web pages. This website is not sponsored in conjunction with or associated with any particular linked entity (other than those identified as being Inter Pipeline's affiliated companies) and the existence of any particular link is simply intended to imply potential interest to the reader.

Links to this website may also be provided from other sites either known or unknown to Inter Pipeline. Any use of websites which link to Inter Pipeline and their content is at your sole risk. No third party shall link to this website without the prior written consent of Inter Pipeline.

Hardware, Software, and Computer Viruses

Due to technical difficulties inherent in the Internet, Internet software or transmission problems could produce inaccurate or incomplete copies of Material contained on this website when displayed or downloaded onto your computer. Computer viruses or other destructive programs may also be inadvertently downloaded from the website. Inter Pipeline shall not be responsible or liable for any software, computer viruses or other destructive, harmful or disruptive files or programs that may infect or otherwise impact your use of your computer equipment or other property on account of your access to, use of, or browsing on this website or your downloading of any of the Materials from this website. Inter Pipeline recommends that you install appropriate anti-virus or other protective software.

Providing Information to Us

Please feel free to communicate with us via this website; however, the Internet is not a fully secure medium and any communication may be lost, intercepted or altered. Inter Pipeline is not liable for any damages related to communications to or from this website. You agree with respect to any information or material provided by you to us through this website or via e-mail that Inter Pipeline has no obligation of any kind concerning such information or materials; the information and material is non-confidential; Inter Pipeline may use, disclose, distribute, copy or reproduce the information and material and shall be free to use any ideas, concepts, know-how or techniques of any kind contained in the information material for any purpose; and the information and material is truthful, legal and does not violate the legal rights of others.

Termination of Use

Inter Pipeline may terminate your use of this website at any time if you have used the website in any way that is contrary to law, these Terms of Use, or in any way that disrupts the website.

Applicable Law

This website is controlled, operated and administered by Inter Pipeline from within the Province of Alberta, Canada. This website can be accessed from all provinces and territories of Canada, as well as from other countries around the world. As each of these jurisdictions has laws that may differ from those of the Province of Alberta, by accessing this website, you acknowledge and agree that all matters relating to access to or use of this website shall be governed exclusively by the laws of the Province of Alberta and the federal laws of Canada applicable therein (without reference to conflicts of laws principles).

You also agree that any claims or disputes whatsoever arising hereunder shall be submitted to the exclusive jurisdiction and venue of the courts of the Province of Alberta and acknowledge that you do so voluntarily.

If you access this website from outside of Canada, you do so at your own risk and are responsible for compliance with the laws of your jurisdiction.

Intellectual Property

All materials on this website including, without limitation, information, content, reports, data, graphics, databases, interfaces, text, files, software, interfaces, project names, company names, trademarks, logos, trade names and the organization and presentation of such material (the "Material") are the property of Inter Pipeline and its licensors and may be protected by intellectual property laws including laws relating to copyrights, trade-marks, trade-names, internet domain names and other similar rights.

The Materials may only be used and copied for your own, non-commercial, personal or educational purposes, provided that the Materials are not modified and that copyright and other intellectual property notices are not deleted. Any reproduction, publication, broadcast, or posting of the Materials by you for your own benefit is prohibited, unless you obtain prior written approval from Inter Pipeline. You shall not create derivative works from, reverse engineer, or otherwise exploit the Materials in any way. Unless you have entered into a separate agreement with Inter Pipeline, any other use of these Materials without Inter Pipeline's written permission is prohibited.

Some articles contained herein may have been reprinted by Inter Pipeline with permission from the original source. Inter Pipeline has no authority to extend its reprint permission to you, and your reproduction, without previously obtaining the original source's approval, is prohibited.

Complete Agreement

These Terms of Use represent the entire agreement between you and Inter Pipeline regarding access to and use of the website and the information contained therein. Inter Pipeline may revise and update the website and the Material thereon from time to time. Please periodically review these Terms of Use. Your continued usage of this website will mean that you accept such changes.

Assignment

These Terms of Use shall bind and enure to the benefit of both parties and their respective successors, heirs, executors, administrators, personal representatives and permitted assigns. You shall not assign your rights or obligations hereunder.

General

Inter Pipeline's failure to insist upon or enforce strict performance of any provision of these Terms of Use shall not be construed as a waiver of any provision or right.

If any provision or part thereof of these Terms of Use is wholly or partially unenforceable the parties or, in the event the parties are unable to agree, a court of competent jurisdiction, shall put in place thereof an enforceable provision or provisions, or part thereof, that as nearly as possible reflects the terms of the unenforceable provision or part thereof.

The parties have requested that these Terms of Use and all documents relating thereto be drawn up in English. Les parties ont demandé que cette convention ainsi que tous les documents qui s'y rattachent soient en anglais.
